

--That the FCC should not implement any proposal that would lessen Indiana's Telephone Privacy law protections.

--How Indiana's Telephone Privacy law has improved your time at home.

--How effective Indiana's law has been (e.g., "I used to receive 25-30 calls per week, now I only receive one").

--Any of your personal views about the importance of Indiana's law.

Thank you for your attention to this message. Working together, we can ensure the success of our Telephone Privacy program for many years to come.
